Chooty & Co. *ottoman collection*

Guarantee

We guarantee that your ottoman will not lose more than 15% of it's height. All of our foam ottomans have a 5 year warranty on the foam insert.

Customize

Make your own custom ottoman by choosing your favorite fabric and any one of the shapes we carry!

Quality

All outdoor fabrics are stain and mildew resistant and treated for ultraviolet rays. All outdoor ottomans have a liner which protects the high density foam core from moisture.

Quality stands up!

Test these high density ottomans for yourself. They are light to lift, but sturdy to sit on and stack. We even tested standing on them to see if our foam could hold up – they passed with flying colors!
