# Chooty & Co. *shower curtain collection*

Far from ordinary, Chooty shower curtains are made from luxurious fabrics. We specialize in 72" wide and 84" wide curtains for rods as well as 180" wide curtain for use with claw foot tubs. Each curtain has tightly stitched 3/4" button holes across the top which can be used with any type of shower curtain hooks. Most of our fabrics can be finished in any of the three shower curtain designs or we can custom make a shower curtain just for you!
